LLC “UMEK GROUP”  
Kobzev V.V.

LLC UMEK within several years effected delivery of glass insulators to “Akmolinskaya Raspredeletelnaya Elektrosetevaya Kompaniya” AO. We have no claims on quality and mounting these products; the operation of insulators deserved no negative remarks. Insulators showed a good performance. *During* this period LLC “UMEK GROUP” established itself as a stable and a reliable business partner. The company guarantees the quality of supplied products and ensures proper delivery.
